

**St Werburgh's Community Centre Needs Your Help at our Volunteer Gardening Day on Wednesday 19<sup>th</sup> April 2017!  
How can you help? Volunteer!**

We've managed to secure some funding to start work transforming our Werbuzz Werbuzz Community Garden and we need lots of people to make it happen. St Werburghs Centre are now actively seeking creative and energetic people to be part of a team of volunteers to help start transforming our outdoor space on Saturday. The volunteer day will be organised by volunteers and members of the Community Centre and will be a great opportunity to network and meet with others in your community! Be a part of this great day and have fun at the same time!

**What would you like to do?**

We need volunteers to help on the day with moving heavy items and getting involved in activities and workshops. The Volunteer schedule on the day starts at 9am and finishes at 4pm and we give you a food voucher for your work. Refreshments will be available throughout the day.

Please circle the areas that you are interested in:

Building raised beds
Building a herb spiral
Planting flowers, herbs and vegetables
Create colourful artwork
Helping move soil and materials
